

1233 Haro St.
 Vancouver BC
 V6E 3Y5604.687.5584

When should I arrive?

On the day you move to Haro Park Centre, please try to arrange your time of arrival between 10AM and 11AM. All the necessary forms will be completed during the first week of moving to Haro Park Centre. We ask that you share with us any required information that will assist the staff at Haro Park Centre in providing you with the highest quality of care and services. Bringing a friend or family member to assist you is advised.

Think of questions before you arrive and write them down for the day so we can answer them for you.

Do not hesitate to share your concerns with us. The staff will be more than happy to assist you.

Bring your medications with you.

Bring your medications with you so the nurse will know what pills you take regularly. Our nurse will confirm your medications with your physician so they can be ordered and delivered from the pharmacy. All medication must be supplied by Buckshon's Pharmacy.

If you have them bring your Power of Attorney and Representation Agreement with you.

If you have assigned someone with Power of Attorney you will need to provide copies of the Power of Attorney form to both Finance and your nurse.

Bring clothes and other personal items.

Bring several (5-7) changes of clothes as well as your hearing aides, glasses, dentures, walker, cane and other personal items.

If you can bring your clothes in a separate container they can be sent directly to laundry for immediate labeling. This helps us to identify which are your clothes to reduce the potential for loss of articles. Any clothing items brought in to the Campus must be labeled.

We suggest you bring the following: comfortable clothing, a housecoat or bathrobe, current sleeping garments, rubber soled and properly fitting footwear and 7 – 8 undergarments.

It is a good idea to have your hearing aide, glasses, dentures and equipment (walker, wheelchair) professionally labeled before you move in. Haro Park Centre cannot be responsible for lost or stolen items. Proper labeling ensures identification of ownership of items.

Don't forget to notify people of your change of address.

If you have a subscription to newspapers, magazines, etc. notify them of your change of address and have them redirected to Haro Park Centre.

Meal times

| | | |
|--------------|------|-----|
| Morning Meal | 8AM | 9AM |
| Middy Meal | 12PM | 1PM |
| Evening Meal | 5PM | 6PM |

Guests are welcome. Guest meal tickets should be purchased from reception at least 30 minutes before the meal or from the Kitchen if Reception is closed.

Visiting Hours

Family and friends are welcomed all day.

Any move can be stressful!

Arrangements can be made for items such as cable (charges for cable will be added to your monthly care charges) and furniture, television, and /or pictures to arrive at a later date. The day you move in may be a stressful day for you and your family so keeping things simple will help. We will follow up with you in a few days after your admission. This allows us to review and answer any questions you may have regarding Haro Park Centre policies. It also allows us an opportunity to get to know you and better understand your specific needs.
